

# The **LOGUE** Family...

CHURCH PLANTERS TO THE  
TIDEWATER REGION  
OF VIRGINIA

Dear Pastors and Churches,

November 2017 - January 2018

We have reached the end of January and God has blessed and helped in a GREAT WAY; beyond what we asked or even thought.

What a roller coaster it has been these last few months. **Here are some of the high points:**

- We had a delightful time of celebration and thanksgiving with over 30 of the people of our church joining us for a wonderful meal on Thanksgiving Day.
- My mom came to stay with us for a week and spoke to our ladies at the Christmas ladies' meeting in December. What a delightful time of visiting we had.
- We had opportunity to see 12 people saved in one special meeting around Christmas time.
- At the end of December and the beginning of January we had people get baptized 3 weeks in a row. How exciting!
- We had a 'Watchnight' service on New Year's Eve. The heartwarming testimonies we heard gave testimony to the spiritual growth of many.
- Through both our family as well as others in the church there have been over three dozen people saved in these last months since our last update.
- Our building fund has grown extremely fast. People all the country over and even from a couple other countries have made and filled commitments far exceeding our expectations and in such a way that God alone receives the glory for what He has unmistakably done. Thank you to each who has given and to those who have prayed for this very need. Thank you for being yielded to the leading of His Spirit.

**So, you may wonder what the corresponding downs to these roller coaster highs have been:**

- Since we exceeded the needed funds for the proposed down payment, we offered, through the sellers agent, EXACTLY what the seller had lined out as his terms for financing (i.e. down payment, interest rate, years to payoff, etc.). We were met with MUCH greater demands if an agreement was to be reached. This was a total surprise to us as we were given confident information that the owner would likely accept a substantial amount less in terms. (A few industry professionals have even said that the counter terms are "totally ridiculous". Certainly God knows and so we are begging Him to intervene on our behalf. The terms have been changed enough times now that we have oft thought of Jacob and Laban from Genesis 31:7 & 41. I am seeking to find other financing options than the current owner due to his erratic behavior.
- On last August 13, I baptized a father and son on the same day. Just yesterday we conducted the funeral for the father, 'Big Jim', who was 47 years of age. It was a completely unexpected death. 'Little Jim', 10, said, 'Pastor, I guess you're just going to have to also be my dad now.' 'Little Jim', his mom and his aunt are still faithful members of our church. While we are so glad for Heaven, it was a sobering reminder to each of the folks in our few numbers of people of how frail our life on this earth really is.

**Please pray for:**

- The financing that we are seeking to become available and for the remainder of the funds.
- The wisdom needed in all the details of a property purchase transaction.
- Healing for the grieving of our small flock.
- More souls to be saved, baptized and for visitors to attend and return.
